

Troy School District Student Cards at Troy Public Library

All students within the Troy School District have access to resources at the Troy Public Library. Parents must “opt-in” for students to gain access to digital resources via a Library eCard or visit the library to sign-up for a regular library card to gain full access to resources and services.

Opt-in for a Student Library eCard (Digital Resources Only)

- Go to: <https://ps.troy.k12.mi.us> and login
 - If you do not have a login for PowerSchool or need assistance logging in, please email psupport@troy.k12.mi.us and the PS Support team will contact you within one business day
- Select [Other forms & Links](#) on the bottom left side
- Select [Library eCard Opt-in](#)
- To give permission for you student to receive a Library eCard, [put a checkmark next to “I agree”](#)
- Select [Submit](#)

212739 **123456789**
Student ID#

It may take up to 10 business days for your student’s ecard to be available. Your student will not receive a physical card, but can gain access to digital resources, such as ebooks, digital audiobooks, and databases by using 212739 and their student ID number. If asked for a pin, use the student ID number.

To gain access to digital ebooks and audiobooks through the library most users will need to download the [Libby App](#) (For Overdrive) or [Hoopla App](#) from the App Store on their devices. Find out more about Troy Public Library’s Digital Resources at troypl.org and select [Downloadables](#) or [Resources A-Z](#) from the menu at the right of the screen.

Apply for a Full Access Library Card

If students need access to physical materials at the library (books, audiobooks, DVDs, etc.) they may apply for a traditional library card to gain full access to collections and services.

Go to: www.troypl.org/services/get_a_card

Use the [Get a Library Card](#) link to go to the online library card application.

Visit the library to receive your library card. A parent will be required to show their driver’s license for their children to receive a card.
